MEMORANDUM FOR THE RECORD

SUBJECT: HSC Staffers Mattox/Zeune Briefing by C/CS.

Charles Mattox and Sandra Zeune were briefed for two hours 18 August by [redacted] They went out of their way to impress us that their approach was not to be adversarial. They understood our problems of security, and they would work with us toward mutual resolutions. Nonetheless, they had to retain the right in the end to require any information, even names, they felt fundamental to their report.

Aside from the general background briefing [redacted] answered their specific questions, which suggest some areas they will pursue:

25X1

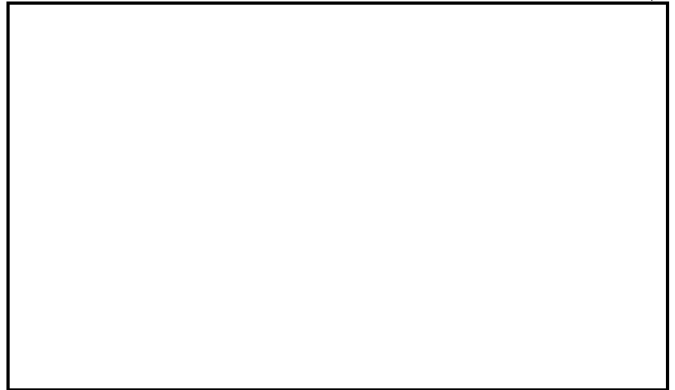

1. How do you select case officers to run a proprietary? Is commercial expertise required? Is the case officer who starts running a proprietary kept on the assignment until the proprietary is dissolved?
2. Why is your use of proprietaries declining?
3. Have any proprietaries received funds from public or private firms that are not part of CIA?
4. Have any proprietaries contributed to U.S. political campaigns (federal, state or local)? Have you ever checked up on this in any way?
5. Have you ever bought a company and retained some or all of the management on an unwitting basis?
6. Do you have any marine proprietaries?
7. If the federal, state or local government gives you trouble setting up or running a corporation, do you pull any strings?

8. Are any law firms proprietaries?

9. Can you provide the total amount of money spent on proprietaries in the past fiscal year?

10. Can you provide the administrative plan for
